

# COVID-19 VACCINE

## IS AVAILABLE

### Why get vaccinated?

The COVID-19 vaccine helps protect you from COVID-19 infection and severe disease. It is safe and highly effective. Vaccination is a safer way to build immunity and is an important tool to help stop the pandemic.

### Who can get the vaccine now?

Vaccine appointments are open to:

- Age 65 and above
- Age 50 years and above with a high-risk medical condition\*
- Age 50 years and above working as an essential worker within 6 feet of others\*
- PreK-12 and child care education staff\*
- Most healthcare workers\*
- People living or working in congregate settings\*
- Long-term care residents and staff\*

*\*Limitations apply. Please check your eligibility at <http://covidvax.alaska.gov>*

*Vaccine managed by the Alaska Tribal Health System, U.S. Department of Veterans Affairs (VA) and the U.S. Department of Defense may have different eligibility criteria.*

### How do I schedule an appointment?

Eligible Alaskans can schedule an appointment with an Alaska COVID-19 vaccine provider online or over the phone. Visit [covidvax.alaska.gov](http://covidvax.alaska.gov) to find an appointment. More appointments open regularly, so please check back often.

### Keep being COVID-19 conscious!

Wear a mask, practice social distancing and wash your hands.

The vaccine is one more layer of protection to keep you and your loved ones safe.
